

Event: Induction Program (14.08.2024 -21.8.2024)

Venue: Main Auditorium FIEM, Sonarpur

Host: Basic Science & Humanities department

Participation: All faculty members of the Institute and 1st Year Students

The Induction program for 1st Year students was conducted throughout a duration of six days commencing from 14/08/2024 at Main Auditorium FIEM, Sonarpur. The program started with an introductory speech by host Dr. Jhumur Ghosh. It was then followed by diya lighting ceremony and inaugural speech by respected Executive Director Sir, Dr. Alok Kumar Ghosh. He enlightened the students about the rules, regulations, culture and values of the institute along with the current scenario of engineering education in the country. He emphasized and assured the new students for a ragging free environment in the institute. Principal Sir, Dr. Anirban Chakraborty implored the students to practice positive thinking and nourish their intellectual skills for the betterment of their professional career and mental health. Registrar Sir, Dr. Sajal Kumar Giri, all departmental heads and other respected personalities also delivered encouraging speech to the new comers.

The 1st year students were then subsequently familiarized with their respective departments. They were introduced to the placement records of the institute, acquainted with the importance of MAR and MOOCS, explained about registration of anti-ragging form, scholarship forms and student credit card loan facilities. The students were well versed about the Examination and internal evaluation system of the college as well as MAKAUT. A session on Yoga, Meditation and self-management program was also organized for the students. Principal, Registrar, faculties and students participated in the said program hosted by Prof. Kapil Dev Maity and Prof. Subir Tapaswi. The six-day event concluded on 21.8.24 with the introduction of the students with the different clubs of the institute. The entire event was convened by Prof. Arunav Chakraborty, HOD, Basic Science and Humanities. Finally the program ended with vote of thanks from Prof. Arunav Chakraborty.
