তমসো মা জ্যোতির্গময়:  
JUNE 2025

## HOD'S MESSAGE

A journey of thousand miles begins with a single step': With this conviction we decide to initiate this venture to progress in our pursuit of knowledge and excellence in academia. The task, we know, is not simple and requires united endeavour for accomplishment. I hope that your enthusiastic cooperation will lead us to light.

**Prof. Arunav Chakrabarty**  
Head of the Department  
Department of Basic Sciences  
and Humanities

## FDP AND FACULTY ACHIEVEMENTS

**Dr. Jhumur Ghosh** completed FDP course on “**Personal Branding for Academia: An Insight**” in association with **IEM HRDC & IEM Department of Management** from **June17-June23, 2025**.

**Prof. Kaushik Sinha Ray** completed FDP course on “**A Systematic way of Research Paper Writing**” from **24-28June, 2025** organized by **Research Foundation of India**.

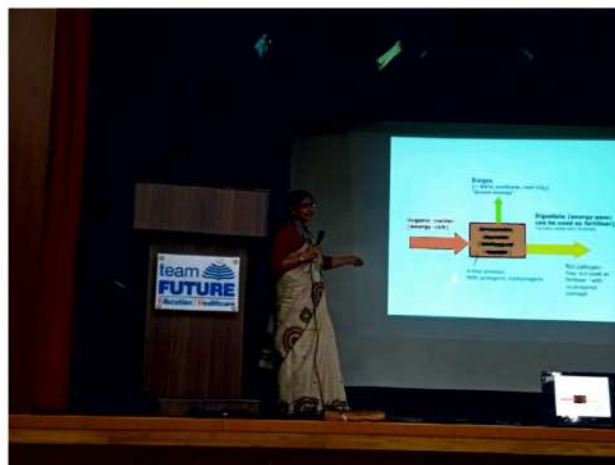

# SEMINAR

A series of engaging seminars were recently conducted by our esteemed faculty:

Professor Dr. Sajal Kumar Giri presented an insightful talk on “From Molecules to Materials – A Review of Raman Scattering and Its Interdisciplinary Action”, exploring its applications in material science and spectroscopy.

Dr. Rupa Bhattacharya discussed “Biomethanation and Its Application”, focusing on sustainable energy production and environmental benefits.

Prof. Tanmay Joarder delivered a thought-provoking session on “AI in Mathematics”, highlighting the growing intersection of computation and mathematical research.

## EDUCATION FAIR

Prof. Arunav Chakrabarty actively represented our institution at two major Education Fairs held at Netaji Indoor Stadium and Rajkutir, Kolkata. His participation contributes significantly to student outreach and institutional visibility.

Prof. Subir Tapaswi also participated in another education fair at Arambagh, Hooghly showcasing our academic programs and initiatives.

## SPECIAL CLASSES FOR SLOW LEARNERS

As part of our academic support initiative, Prof. Sanjiban Mukhopadhyay conducted a special Physics class tailored for slow learners, aiming to strengthen their conceptual understanding and boost their confidence.

Dr. Moumita Bhunia also extended her support by conducting mathematics classes for the same group of students, ensuring personalized guidance and clarity in foundational topics.

## SILVER JUBILEE CELEBRATION

The Future Group flagged off its Silver Jubilee celebration on 22nd June 2025 with a cultural program by the faculty and staff members of the group. The inauguration was led by the Executive Director of Team Future Dr. Alope Kumar Ghosh who in his speech emphasized the high standard set and haloed status achieved by the Institute.

The cultural program saw performances by Prof. Arunav Chakrabarty in the skit of the day and soulful renditions by Prof. Poulami Neogi and Prof. Upasona Bhattacharya. The in-house cultural program was followed by song and recitation by distinguished guest artists in the evening.
