Acuity

তমসো মা জ্যোতির্গময়:
OCTOBER 2025

COMMUNIQUÉ

It gives me immense pleasure to present Acuity, the departmental newsletter of the Basic Sciences and Humanities Department. Acuity reflects the collective academic spirit, creativity, and intellectual curiosity of our students and faculty members. The newsletter serves as a vibrant platform to showcase scholarly insights, innovative ideas, creative expressions, and noteworthy departmental activities.

In today's rapidly evolving academic environment, interdisciplinary learning and creative thinking play a crucial role in shaping well-rounded professionals. Through Acuity, we encourage our students to think beyond textbooks, express their perspectives through writing, art, and research-oriented contributions, and engage meaningfully with contemporary issues in science, technology, and humanities.

I sincerely appreciate the efforts of the editorial board, faculty coordinators, and student contributors whose dedication and teamwork have made this publication possible. Their commitment demonstrates the department's emphasis on holistic education and collaborative learning.

I hope that Acuity will inspire readers, promote academic dialogue, and nurture creativity among students. I wish the newsletter every success and look forward to its continued growth in the years to come.

Best wishes.

Arunav Chakraborty
Head of the Department
Department of Basic Sciences and Humanities

PHASE IV

NAVIGATING SUCCESS - YOUR PLACEMENT JOURNEY

STUDENT INDUCTION PROGRAMME 2025
Future Institute of Engineering and Management
Sonarpur | Kolkata

BE THE SOUL OF FUTURE

NAVIGATING SUCCESS - YOUR PLACEMENT JOURNEY
PROF. TAPAS BOY
VICE PRINCIPAL & TRAINING PLACEMENT OFFICER

BBA	Organised By : Department of Basic Science and Humanities FIEM Main Auditorium PHASE IV - 9TH OCTOBER 2025 Time : 10:30 A.M				BCA
CSE	Future	IT	Future	EE	Future
Future	CSE(DS)	Future	IT	Future	EE
BSH	Future	ECE	Future	ME	Future

This insightful session walked students through the essential stages of the placement process—career planning, skill development, resume crafting, and interview preparation. Speakers highlighted current industry expectations and shared practical strategies to help students build confidence, set clear goals, and approach their placement journey with the right mindset and preparation.

PHASE V

IBM SKILL BUILD NON - LIVELIHOOD PROGRAM

The IBM SkillBuild Non-Livelihood Program offered students an introduction to key digital and technical skill sets through structured learning modules and interactive resources. The program emphasized the importance of continuous upskilling in today's evolving job market and enabled students to explore industry-relevant tools, enhance their technological literacy, and prepare themselves for diverse future opportunities in academia and beyond.
