Dr. Jaydip Nath
Professor & HoD
Dept. of CSE, FIEM

We are proud to present this inaugural edition of our departmental newsletter, which aims to showcase the vibrant academic culture, technological innovation, and collaborative spirit that define our CSE community. This is a transformative era for computer scientists and engineers. With computing at the heart of innovation across industries, our discipline plays a pivotal role in shaping the future—from AI and data science to cybersecurity and IoT.

At CSE, FIEM, we are privileged to have a dynamic team of young, passionate faculty members who are committed to mentoring and inspiring our students. We place a strong emphasis on building a healthy and inclusive teacher-student relationship that nurtures creativity, critical thinking, and lifelong learning. With well-equipped laboratories, modern learning resources, and a curriculum aligned with industry trends, our department continues to foster an environment where students not only learn but also innovate, build, and lead.

We look forward to celebrating the achievements of our students, faculty, and alumni through this platform and invite you to be part of our journey.

Placement Highlights – CSE, FIEM

We are proud to announce that 73 students from the Department of Computer Science and Engineering have already been successfully placed across reputed organizations in the ongoing placement season.

Among the top achievers:

🎯 Shubhrojit Ghosh secured placement at Hashedin by Deloitte (Cognizant) with a package of 8.1 LPA.

🎯 Ritwika Dutta received an offer from Deloitte USI with a package of 8 LPA.

The department continues to focus on career-readiness, industry-aligned training, and placement support, ensuring our students are well-equipped to meet the dynamic demands of the tech industry. We look forward to sharing more departmental milestones and accomplishments in the editions to come.

Research and Innovation Activities

Prof. Abhijit Sarkar received a reviewer certificate from Springer Nature for his valuable contribution in reviewing a manuscript for Scientific Reports in June, 2025.

Prof. Subhas Halder co-authored a book chapter on Failure Prediction Using Machine Learning and Deep Learning in Industry 4.0 and 5.0, focusing on multi-instance learning for enhanced predictive maintenance in industrial systems.

Event

SEMICOLON 2025: A FOND FAREWELL

The Department of Computer Science and Engineering at Future Institute of Engineering and Management successfully hosted its farewell event, "Semicolon 2025," on 13th June 2025 at the Main Auditorium. The name Semicolon symbolized a pause rather than an end, perfectly capturing the transition as final-year students prepared to begin the next chapter of their lives.

The program was a heartfelt blend of emotions, nostalgia, and celebration. Highlights included the ceremonial lighting of the lamp, vibrant cultural performances by juniors, a felicitation ceremony to honor the graduating batch, group photography, and a cake-cutting ceremony to sweeten the memories.

Overall, Semicolon 2025 was a memorable occasion that celebrated achievements, friendships, and the shared journey of the graduating class.

Upcoming Event

HANDS ON WORKSHOP ON IOT

The Department of Computer Science and Engineering, Future Institute of Engineering and Management, is proud to present an intensive Hands-on Workshop on the Internet of Things (IoT) in two phases : Phase-1 (14th and 16th July 2025) Phase-2 (17th and 18th July 2025).

🕒 Time: 10:00 AM – 5:00 PM

📍 Venue: CSE LAB1

🎤 Speaker: Mr. Samiran Basak,
Assistant Professor, Department of
CSE (IoT & Cyber Security), FIT

🔍 About the Workshop:

This hands-on training session is tailored to bridge the gap between innovation and real-world application. The workshop will focus on the core concepts and practical skills in:

- Sensor integration
- Microcontroller programming
- Cloud connectivity
- Real-time data monitoring and analysis

**Faculty Advisors: Prof. Abhijit Sarkar,
Dr. Asif Iqbal Middya**

**Editors: Shlok Basak (2nd Year),
Srijan Bhattacharya (2nd Year)**
